

1313

The first case (Wenigstun) 7.  
cannon was attributed  
by the magistry to a German  
monk Bernard Schwartz (1313)  
generally acknowledged  
to be the discoverer of the  
propulsive power of gunpowder

1313

---

Henry VII died

1313

Scotland

Bruce captured Perth.

He reconquered southwest  
Scotland and the Isle of Man.
